To the Honorable Senate and House of Representatives:

Pursuant to Article LVI, as amended by Article XC, Section 3 of the Amendments to the Constitution of the Commonwealth of Massachusetts, I am returning to you for amendment House Bill No. 5000, “An Act Establishing Expanded Gaming in the Commonwealth.” Under separate cover, I will also be returning to you for amendment its companion appropriations bill House Bill No. 5001 because the legislation was split into two bills.

Last week, I asked you to finish work on several key pieces of legislation that are critical to continuing our economic recovery and growing jobs. I am pleased that the House and Senate made progress prior to midnight Saturday.

To break the legislative logjam, I offered to accept one slot facility, competitively and openly bid, as part of an expanded gaming bill. This was a big concession for me in light of my consistent view that slot parlors do not give us the jobs at higher wages and benefits that justify the social costs. Capital-intensive, destination resort casinos are diversified and multi-faceted operations, offering a broad entertainment and hospitality experience, of which gaming is just one component. No one can reasonably dispute the fact that resort casinos generate far more jobs at better wages than slot parlors.

While I respect the Speaker and the Senate President and the teams that have so ably and thoughtfully worked to compromise on an expanded gaming bill, I am very disappointed that the final bill I received today allowed for more than one slot facility and that there was no provision for open, competitive bidding for the slot licenses. As I have consistently and repeatedly said, I cannot support the bill in this form.

I believe that expanded gaming in Massachusetts, if done correctly, can be a successful part of our overall plan for job creation and long-term, sustainable economic growth. Consistent
with this belief and the expanded gaming bill I filed in 2007, I am returning House Bill No. 5000 with amendment in the form of Senate Bill 2530, as amended and passed on July 1, 2010. Among other key provisions, Senate 2530 includes protections to benefit current track employees and authorizes funding for programs to support the track industry. I am also including a few additions: amendments designed to ensure inclusion of minority business enterprises and women business enterprises in all phases of the design, construction and operation of gaming establishments, and minorities, women, and people with disabilities as labor in the construction of a gaming establishment and in all phases of employment within a gaming establishment.

If we are going to expand gaming in Massachusetts, we should do it right. I believe this amended bill is the right way to do it. Our constituents need these jobs. The opportunity is now in your hands.

For these reasons, I recommend that House Bill No. 5000 be amended by striking out the text of House Bill No. 5000 in its entirety and inserting in place thereof the following:-

An eligible applicant may, in its resubmitted application, voluntarily increase the license fee required by subsection (k) and may modify any portion of their application related to the factors listed in section 16. (12) Each gaming licensee shall have a duty to inform the board of any action which the licensee reasonably believes would constitute a violation of this chapter, and shall assist the board and any federal or state law enforcement agency in the investigation and prosecution of such violation. (5) No funds shall be expended under a contract awarded by or to a gaming licensee if such expenditure would result in the payment of any kind to a person not in compliance with any and all federal laws pertaining to immigration and citizenship, including but not limited to, 42 U.S.C. 1436(a).

less than 30 days notice to the board of such intent and shall file an application and be subject to

(ii) failed to comply with section 10; or
(iii) failed to comply with this chapter pertaining to licensees.

(g) The board shall establish a master vendor list to monitor all gaming and non-gaming
vendor contracts with a gaming establishment. A vendor doing business with a gaming
establishment which has failed to submit an application for licensure or registration shall be
prohibited from engaging in any future business with a gaming establishment; provided,
however, that the board may terminate any contracts that have been entered into with an
unlicensed or unregistered vendor.

(h) Each gaming licensee shall have a continuing duty to inform the board of all gaming
and non-gaming vendor contracts.

Nothing in this section shall prohibit an establishment from accepting credit cards for non-gaming related purchases or services.

(c) Checks cashed in conformity with the requirements of this chapter shall be valid instruments enforceable under the laws of the commonwealth. Any check cashed, transferred, conveyed or given in violation of this chapter or regulations promulgated under section 5 shall be invalid and unenforceable.

(d) The commission shall, in consultation with the department of transitional assistance, the department of labor and workforce development, the department of housing and community development or the applicable administering agency, establish by regulation, under section 5, procedures and standards to prohibit an establishment or any person acting on behalf of an establishment from: (1) cashing a government-issued check; (2) from operating on its premises any credit card or ATM machine that would allow a patron to obtain cash from a government-issued Electronic Benefits Transfer Card; and (3) from extending or issuing credit to a patron of a gaming establishment who receives any form of income-based public assistance including, but not limited to, the Supplemental Nutrition Assistance Program, Temporary Assistance for Needy Families, Emergency Aid to Elders, Disabled and Children, public housing assistance, MassHealth and unemployment insurance. The procedures and standards established shall ensure the privacy of all patrons receiving public assistance.

(e) No other person or entity, other than a gaming licensee licensed under this chapter, shall issue credit to a person while the person is a patron of a gaming establishment.

(f) Debt collections under this section and debt collection regulations promulgated under section 5 shall be limited to key gaming employees or attorneys acting directly on behalf of gaming licensees; provided further that a key gaming employee shall be prohibited from making any such collections if the key gaming employee serves as a junket representative for the gaming establishment.

(g) On an annual basis, each gaming licensee shall report to the commission the number of debt collection processes on patrons that the commission initiates and the total amount recovered by the licensee. Notwithstanding any general or special laws to the contrary, this report shall be considered public record.

Section 22. (a) No junkets may be organized or permitted and no person may act as a junket representative or junket enterprise except as authorized by the board under this chapter.
(b) A junket representative employed by a gaming licensee or affiliate shall be licensed as a gaming employee; provided, however, that a junket representative need not be a resident of the commonwealth. A person who holds a valid gaming employee license may act as a junket representative while employed by a gaming licensee or an affiliate. No gaming licensee shall employ or otherwise engage a junket representative who is not licensed under this chapter.

(c) The board shall deny an application for a license under this section if the board finds that an applicant is disqualified under section 11 or may be unsuitable for licensure under section 14.

(d) Each gaming licensee, junket representative or junket enterprise shall file a report with the board with respect to each list of junket patrons or potential junket patrons purchased directly or indirectly by the gaming licensee, junket representative or enterprise.

(e) No junket enterprise or junket representative or person acting as a junket representative shall: (i) engage in efforts to collect upon checks that have been returned by banks without full and final payment; (ii) exercise approval authority with regard to the authorization or issuance of credit under this chapter; (iii) act on behalf of or under any arrangement with a gaming licensee or a gaming patron with regard to the redemption, consolidation or substitution of the gaming patron’s checks awaiting deposit; (iv) individually receive or retain any fee from a patron for the privilege of participating in a junket; or (v) pay for any services, including transportation, or other items of value provided to, or for the benefit of, any patron participating in a junket.

Section 23. (a) No gaming licensee shall offer complimentary services, gifts, cash or other items of value to any person unless those complimentary services or items are provided through a complimentary distribution program which shall be filed and approved by the board upon the implementation of the program or maintained under regulations adopted under section 5.

(b) Gaming licensees shall submit quarterly reports to the board covering all complimentary services offered or engaged in by the licensee during the immediately preceding quarter. The reports shall identify regulated complimentary services and the costs of those services, the number of people who received each service or item and such other information as the board may require. The report shall also document any services or items valued in excess of $2,000 that were provided to patrons, including detailed reasons as to why they were provided.

(c) Complimentary services or items shall be valued in an amount based upon the retail price normally charged by the gaming licensee for the service or item. The value of a complimentary service or item not normally offered for sale by a gaming licensee or provided by a third party on behalf of a gaming licensee shall be the cost to the gaming licensee of providing the service or item, as determined under rules adopted by the commission.

Section 24. (a) Upon revocation or suspension of a gaming license under section 26 or upon the failure or refusal to renew a gaming license the commission may appoint a conservator to temporarily manage and operate the business of the licensee relating to the gaming establishment. Such conservator shall be a person of similar experience in the field of gaming management and, in the case of replacing a gaming licensee, shall have experience operating a gaming establishment of similar caliber in another jurisdiction, and shall be in good standing in all jurisdictions in which the conservator operates a gaming establishment.

Upon appointment, a conservator shall agree to all licensing provisions of the former licensee.
(b) A conservator shall, before assuming managerial or operational duties, execute and file a bond for the faithful performance of such duties payable to the board with such surety and in such form and amount as the board shall approve.

(c) The board shall require that the former or suspended licensee purchase liability insurance, in an amount determined by the board, to protect a conservator from liability for acts or omissions of the conservator during the conservator’s appointment reasonably related to, and within the scope of, the conservator’s duties.

(d) During the period of temporary management of the gaming establishment, the commission shall initiate proceedings under this chapter to award a new gaming license to a qualified applicant whose gaming establishment shall be located at the site of the preexisting gaming establishment.

(e) Applicants for a new gaming license shall be qualified for licensure under this chapter; provided, however, that the commission shall determine an appropriate level of investment by an applicant into the preexisting gaming establishment.

(f) Upon award of a new gaming license, the new gaming licensee shall pay the licensing fee.

Section 25. (a) There shall be within the board an investigations and enforcement bureau, which shall be the primary enforcement agent for regulatory matters under this chapter. The bureau shall perform such functions as the chair of the board determines in relation to enforcement, including the investigations of all licensees under this chapter. The bureau shall be under the supervision and control of the deputy director for investigations and enforcement. The deputy director shall be the executive and administrative head of the bureau and shall be responsible for administering and enforcing the law relative to the bureau and to each administrative unit of the bureau. The duties given to the deputy director in this chapter and in any other general or special law shall be exercised and discharged subject to the direction, control and supervision of the chair of the board.

(b) The bureau shall be a law enforcement agency and its employees shall have such law enforcement powers as to effectuate the purposes of this chapter, including the power to receive intelligence on an applicant or licensee under this chapter and to investigate a suspected violation of this chapter.

(c) Officers and employees of the gaming enforcement unit of the state police assigned to the commission under section 70 of chapter 22C shall work with employees of the bureau, under the direction of the deputy director, to investigate violations of this chapter by a licensee under this chapter or any activity taking place on the premises of a gaming establishment. Officers assigned to work with the bureau shall record their time and submit total hours to the bureau. The board shall reimburse the state police.

(d) The bureau shall notify the division of gaming enforcement in the office of the attorney general of any criminal violations by a gaming licensee. The bureau and the division shall cooperate on the regulatory and criminal enforcement of this chapter and may determine whether to proceed with civil or criminal sanctions, or both against said licensee.

(e) To further effectuate the purposes of this chapter with respect to the investigation and enforcement of licensed gaming establishments and licensees, the bureau may obtain or provide pertinent information regarding applicants or licensees from or to law enforcement entities or gaming authorities and other domestic, federal or foreign jurisdictions, including the Federal Bureau of Investigation and may send or receive such information electronically.
The gaming enforcement unit of the department of state police shall have exclusive police jurisdiction of any criminal activity relating to the operation of a gaming establishment or relating to games or gaming that occurs inside a gaming establishment; provided, however, that the state police shall have concurrent jurisdiction with the law enforcement agency of the host community on all other policing matters and, in consultation with the board, shall execute a memorandum of understanding with the law enforcement agency of the host community that shall include, but not be limited to, procedures involving: (i) assignment of police officers of the host community to the gaming enforcement unit of the state police; (ii) first responder calls from the gaming establishment; (iii) emergencies occurring within the gaming establishment, including the gaming area; and (iv) criminal investigations involving employees or patrons of the gaming establishment.

Section 26. (a) The board shall have the authority to issue orders requiring persons to cease activity which violates this chapter, a regulation adopted under this chapter or a law related to gaming in the commonwealth. The board may, in its order, require compliance with such terms and conditions as are reasonably necessary to effectuate the purposes of this chapter.

(b) If the board finds, under the procedures established in this section and the regulations adopted under said section 5, that a person is not in compliance with an order issued under this section, it shall assess a civil administrative penalty on such person and the regulations adopted under section 5. The penalty may be assessed whether or not the violation was willful. In determining the amount of the civil penalty, the board shall consider: (i) the nature of the violation; (ii) the length of time the violation occurred; (iii) the risk to the public and to the integrity of gaming operations created by the conduct of the person; (iv) the seriousness of the conduct of the person; (v) any justification or excuse for such conduct by the person; (vi) the prior history of the particular person involved with respect to gaming activity; (vii) any corrective action taken by person to prevent future misconduct; and (viii) other relevant factors.

(c) In addition to collecting any civil penalties recoverable under this chapter or any other general or special law, the board may bring an action in the superior court to restrain, prevent or enjoin any conduct prohibited by this chapter or to compel action to comply immediately and fully with an order issued by the bureau. Except in the case of an emergency during which, in the opinion of the court, immediate abatement of the unlawful conduct is required to protect the public interest, the court may in its decree fix a reasonable time during which the person responsible for the unlawful conduct may abate and correct the violation. The expense of the proceeding shall be recoverable from the subject of the proceeding.

(d) Upon a recommendation from the board, the commission may issue orders to condition, suspend or revoke a license or permit issued under this chapter.

(e) The board may issue an order to cease and desist any activity if the board finds that a licensee has engaged in or is about to engage in an act or practice which constitutes a violation of this chapter or laws of the commonwealth and may take such affirmative action to effectuate the order. If the board finds that the licensee is engaged in an act or practice that would cause irreparable harm to the security and integrity of the gaming establishment or the interests of the commonwealth in ensuring the security and integrity of gaming under this chapter, the board may issue a temporary suspension of the license.

(f) Any licensee who has been issued a temporary order of suspension by the board shall be entitled to a hearing before the commission on such suspension within 7 days of the day on which the order was issued. At the conclusion of the hearing, the commission may issue a final order to condition, suspend or revoke the license in question.
(g) Any licensee shall have the right to an adjudicatory hearing under chapter 30A on an order issued by the board.

Section 27. (a) The board may assess a civil administrative penalty on a licensee or registrant who fails to comply with any provision of this chapter or any regulation or order adopted by the commission; provided, however, that such noncompliance occurred after the board had given the licensee or registrant written notice of such noncompliance and the time stated in the notice for coming into compliance had elapsed. The board may assess a civil administrative penalty on a licensee or registrant without providing written notice of such noncompliance if the failure to comply: (i) was part of a pattern of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the result of error; (iii) resulted in a significant breach to the integrity of the gaming establishment or gaming laws of the commonwealth; and (iv) consisted of failure to promptly report to the board any knowledge of evidence or circumstances that would cause a reasonable person to believe that a violation of this chapter had been committed. The civil administrative penalty shall be in addition to any other civil penalty that may be prescribed by law.

(b) For the purpose of determining whether such noncompliance was part of a pattern of noncompliance and not an isolated instance, the board shall consider without limitation the following: (i) whether the board had previously notified the person of such noncompliance on more than 1 occasion during the previous month or of any noncompliance similar to the current noncompliance during the previous 6 months; or (ii) whether the current and previous instances of noncompliance, considered together, indicate a potential threat to the integrity of the gaming establishment and gaming in the commonwealth or an interference with the commission’s ability to efficiently and effectively regulate gaming in the commonwealth and enforce any regulation, license or order. If a licensee or registrant who has received a notice of noncompliance fails to come into compliance within the time period stated in such notice, the civil administrative penalty may be assessed by the board upon such licensee or registrant from the date of receipt of such notice.

(c) Whenever the board seeks to assess a civil administrative penalty on a licensee or registrant, the board shall cause to be served upon such licensee or registrant, either by service, in hand, or by certified mail, return receipt requested, a written notice of the board’s intent to assess a civil administrative penalty which shall include:

(i) a concise statement of the alleged act or omission for which the board seeks to assess the civil administrative penalty;

(ii) each law, regulation, order, license or approval which has not been complied with as a result of the alleged act or omission;

(iii) the amount which the board seeks to assess as a civil administrative penalty for each such alleged act or omission;

(iv) a statement of the licensee’s or registrant's right to an adjudicatory hearing on the proposed assessment;

(v) the requirements such licensee or registrant shall comply with to avoid waiving the licensee’s or registrant’s right to an adjudicatory hearing; and

(vi) the manner of payment of the penalty if the licensee or registrant elects to pay the penalty and waive an adjudicatory hearing.

After written notice of noncompliance or intent to assess a civil administrative penalty has been given, each subsequent day during which such noncompliance occurs or continues shall constitute a separate offense and may be subject to a separate civil administrative penalty if
reasonable efforts have not been made by the licensee or registrant to promptly come into compliance.

(d) Whenever the board seeks to assess a civil administrative penalty on a licensee or registrant, such licensee or registrant shall have the right to an adjudicatory hearing. Chapter 30A shall apply to adjudicatory hearings under this chapter; provided, however, that if there is a conflict between this chapter and said chapter 30A, this chapter shall govern.

(e) A licensee or registrant shall be deemed to have waived the licensee’s or registrant’s right to an adjudicatory hearing unless, within 21 days of the date of the board's notice that it seeks to assess a civil administrative penalty, the licensee or registrant files with the board a written statement denying the occurrence of the acts or omissions alleged by the board in such notice or asserting that the amount of the proposed civil administrative penalty is excessive. In an adjudicatory hearing the board shall be required to prove the occurrence of each act or omission alleged by the board by a preponderance of the evidence.

(f) If a licensee or registrant waives the licensee’s or registrant’s right to an adjudicatory hearing, the proposed civil administrative penalty shall be final immediately upon such waiver. If a civil administrative penalty is assessed at the conclusion of an adjudicatory hearing, the civil administrative penalty shall be final upon the expiration of 30 days if no action for judicial review of the decision is commenced under chapter 30A.

(g) A licensee or registrant who institutes proceedings for judicial review of the final assessment of a civil administrative penalty shall place the full amount of the final assessment in an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing court. The establishment of such an interest-bearing escrow account shall be a condition precedent to the jurisdiction of the reviewing court unless the party seeking judicial review demonstrates in a preliminary hearing held within 30 days of the filing of the complaint an inability to pay. Upon such a demonstration, the court may grant an extension or waiver of the interest-bearing escrow account or may require, in lieu of such interest-bearing escrow account, the posting of a bond payable directly to the commonwealth in the amount of 125 per cent of the assessed penalty.

(i) If, after judicial review, in a case where the requirement for an escrow account has been waived, and in cases where a bond has been posted in lieu of such requirement, the court affirms, in whole or in part, the assessment of a civil administrative penalty the board shall be paid the amount of the penalty together with interest at the rate set forth in section 6C of chapter 231.

(ii) If, after such review in a case where an interest-bearing escrow account has been established, the court affirms the assessment of such penalty, in whole or in part, the board shall be paid the amount of the penalty together with the accumulated interest on the amount of the penalty in such interest-bearing escrow account.

(iii) If the court sets aside the assessment of a civil administrative penalty in a case where the amount of such penalty has been deposited in an interest-bearing escrow account, the licensee or registrant on whom the civil administrative penalty was assessed shall be repaid the amount so set aside, together with the accumulated interest on the amount deposited.

(h) Each licensee or registrant who fails to pay a civil administrative penalty in a timely fashion, and each person who issues a bond under this section and who fails to pay to the board in a timely fashion the required amount, shall be liable to the commonwealth for up to 3 times the amount of the civil administrative penalty, or the amount of economic benefit realized by the licensee or registrant as a result of noncompliance, whichever is greater, together with costs, plus
interest from the time the civil administrative penalty became final and attorneys' fees, including all costs and attorneys' fees incurred directly in the collection of the penalty. The rate of interest shall be the rate set forth in section 6C of chapter 231.

Section 28. (a) Whoever conducts or operates, or permits to be conducted or operated, any game or gaming device in violation of this chapter or the regulations adopted under this chapter shall be punished by imprisonment in the state prison for not more than 5 years or imprisonment in the house of correction for not more than 2½ years, or by a fine not to exceed $25,000, or both, and in the case of a person other than a natural person, by a fine not to exceed $100,000.

(b) Whoever employs, or continues to employ, an individual in a position, the duties of which require a license or registration under this chapter, who is not so licensed or registered, shall be punished by imprisonment the house of correction for not more than 6 months, or by a fine not to exceed $10,000, or both, and in the case of a person other than a natural person, by a fine not to exceed $100,000.

(c) Whoever works or is employed in a position, the duties of which require licensing or registration under this chapter, without the required license or registration, shall be punished by imprisonment in the house of correction for not more than 6 months or a fine not to exceed $10,000, or both.

(d) A gaming licensee who, without the permission of the commission: (i) places a game or gaming device into play or displays a game or gaming device in a gaming establishment; or (ii) receives, directly or indirectly, any compensation or reward or any percentage or share of the revenue for keeping, running or carrying on a game, or owning the real property upon, or the location within which any game occurs, shall be punished by imprisonment in the house of correction for not more than 2½ years or by a fine not to exceed $25,000, or both, and in the case of a person other than a natural person, by a fine not to exceed $100,000.

(e) Whoever conducts or operates any game or gaming device after the person’s gaming license has expired and prior to the actual renewal of the gaming license shall be punished by imprisonment in the house of correction for not more than 1½ years or a fine not to exceed $25,000, or both, and in the case of a person other than a natural person, by a fine not to exceed $100,000.

(f) A gaming licensee who knowingly fails to exclude from the licensee’s gaming establishment any person placed by the commission on the list of excluded persons shall be punished by a fine not to exceed $5,000 or by imprisonment in the house of correction for not more than 1 year, or both, and in the case of a person other than a natural person, by a fine not to exceed $100,000.

(g) Whoever willfully:
