RE: House Bill 2502 (public programs; advertisements; funding source)

Secretary Bennett,

Today I vetoed House Bill 2502. The bill requires "paid for by" disclaimers to be on advertisements for public programs. I believe the public will view this as a nuisance and an annoyance. An advertisement for a public program is obviously paid for with government dollars. It is not necessary to remind everyone.

Sincerely,

A handwritten signature in black ink that reads "Janice K. Brewer".
