

VETO MESSAGE - No. 260

TO THE ASSEMBLY:

I am returning herewith, without my approval, the following bill:

Assembly Bill Number 4836, entitled:

"AN ACT authorizing the city of Long Beach to issue bonds"

NOT APPROVED

As the sponsors are aware, this bill would authorize the City of Long Beach, Nassau County, to issue serial bonds to finance for various purposes on or before June 30, 2013. The 2013 date, however, was mistakenly used in the legislation and, according to the sponsors, the appropriate date should have been June 30, 2014. Without such additional time, the City could not issue the bonds. Consequently, the bill is defective.

The bill is disapproved.

(signed) ANDREW M. CUOMO
