

1995 VETO MESSAGES OF HOUSE BILLS

H 357 COUNTY BOARDS OF FINANCE

April 6, 1995

HOUSE EXECUTIVE MESSAGE NO. 103

I have this day VETOED and am returning HOUSE BILL 357, as amended, with certificate, enacted by the Forty-Second Legislature, State of New Mexico, First Session, 1995.

This legislation would mandate powers for county boards of finance equal to county treasurers with regard to investment of county funds. It is vetoed because the necessity for such a change has not been substantiated.

H 405 GROUP INSURANCE CONTRIBUTIONS

HOUSE EXECUTIVE MESSAGE NO. 26

I have this day VETOED and am returning HOUSE BILL 405, as amended, passed by the Forty-Second Legislature, State of New Mexico, First Session, 1995.

I believe that allowing a school district to pay 100 percent of health insurance premiums for employees would lead to significant costs to the state. By not allowing individuals the opportunity to contribute to their health care plan, we dilute the importance of personal responsibility. Thus, if this bill were signed, it could lead to an abuse of the state health care system.
