Governor's Veto Message

Governor's Veto Message

To the Members of the California State Assembly:

I am returning Assembly Bill 1440 without my signature as it does not go far enough.

I signed AB 1057 which strongly recasts the state's duties in regulating the development of hydrocarbon and geothermal resources to explicitly require the protection of public health and safety, environment quality and the reduction of greenhouse gas emissions.

AB 1440 is unnecessary and does not go far enough in protecting public health and safety.

Sincerely,

Gavin Newsom
