July 2, 2021

The Honorable Colorado State House of Representatives
The 73rd General Assembly
First Regular Session
Colorado State Capitol
200 East Colfax Avenue
Denver, CO, 80203

Dear Honorable Members of the Colorado State House of Representatives:

Today I vetoed House Bill 21-1196, "Update Senate Bill 19-263 Effective Date Clause" at 9:10am.

House Bill 21-1196 (HB 21-1196), which originated with the Statutory Revision Committee and which updated an effective date that was contained in Senate Bill 19-263, has no practical effect because Senate Bill 21-260 repealed the requirement that a statewide ballot issue seeking authorization for the issuance of TRANS be referred to the voters at the 2021 statewide election. As such, if signed HB21-1196 might only serve to confuse Coloradans.

I appreciate the work of the sponsors and the Statutory Revision Committee generally, and look forward to signing many more of the committee's cleanup bills in the future.

Therefore, HB 21-1196 is disapproved and vetoed.

Sincerely,

A handwritten signature in black ink that reads "Jared Polis".

Jared Polis
Governor
