To the Members of the California State Assembly:

I am returning Assembly Bill 105 without my signature.

This bill would modify several processes related to civil service job announcements, examinations, classifications, and hiring practices. Additionally, it would require certain boards and commissions to include appointed representatives of underrepresented groups and institute new data collection requirements.

I believe that California has a responsibility to recruit and retain a workforce that reflects California's diversity and treats all of our employees with respect, dignity, and equity. My Administration remains committed to furthering that cause and that's why we have established the California Leads as an Employer Initiative. The goal of this initiative is to implement policies that promote a diverse and inclusive workforce reflective of California, ensure a respectful workplace free of harassment, and address gender and racial pay gaps in the state workforce. Additionally, we established a Chief Equity Officer at the Government Operations Agency this year who will focus on diversifying state hiring, recruitment, retention, and training.

While the goals of AB 105 are laudable, elements of the bill conflict with existing constitutional requirements, labor agreements, and current data collection efforts. Therefore, it may have unintended consequences that warrant further consideration. Furthermore, as AB 105 would cost tens of millions of dollars, these
one-time and significant ongoing costs should be considered through the annual state budget process.

I would encourage the author to collaborate with the Administration to address these concerns and look forward to continued partnership as we continue to work to build a more inclusive state government.

Sincerely,

Gavin Newsom
